Custom Modular

Look Smart.

The most **elegant** and enticing way to get people in front of you is with a Nomadic custom modular exhibit behind you. Every savvy exhibitor knows that presenting a fresh image that brings your brand to life is essential to face-to-face marketing success. Nomadic has a proven track record of creating attention-getting, **results-driven presentations**. Let us create an environment **custom-tailored** to stimulate sales for you.

A smart look is driven by **smart design**. Nomadic has a whole new generation of **brehtaking custom modular environments** that are helping exhibitors gain more sales opportunities than ever before. We develop creative display solutions designed to **build your brand, drive interaction** with your target audience and support your overall **business strategies**. Let our team of talented designers transform your face-to-face marketing programmes and extend the value of your investment in trade shows, corporate events and meetings.

Tension Fabric Structures

Combine light weight with bold, dramatic effect to command attention for your brand.

Private Meeting Area

Provide your sales reps an enclosed environment to conduct product demos and power packed presentations for key buyers.

Kiosks

Promote interaction with your company used alone or as part of a larger display.

Grow Smart.

Bring your brand to more places. Invest in a lifetime of **versatility** with a custom modular display that can **adapt and change** with your market challenges. Nomadic led an **evolution** in modular exhibits. Distinctive and practical, we engineer our product lines to **integrate** with one another.

Nomadic custom modular exhibits are **scalable** to work in more places and grow with your business needs. So you benefit from the ability to enhance, expand and **repurpose** your properties to fit multiple applications.

Triple-Channel Extrusion

Accepts laminates to blend with Platinum laminate panels.
Enables graphic layering.
Supports unique dimensional graphics.

Steel Backed Panels

Enable placement of magnetic graphics anywhere on the front surface.
Are two times stronger than other brands.

Surface Treatments

Choose from a broad palette of surface treatments to create a look that is uniquely yours.

Save Smart.

Are you under pressure to cut costs and **optimize** your marketing budget? Then you need custom-tailored design in a **cost-effective** display.

DesignLine is a presentation innovation. An **evolved hybrid solution**, it fuses the individual strengths of different product lines – aluminium extrusion, Platinum laminated panel, Instand® pop-up and tension fabric structures – into a contemporary display solution that is lighter in weight and more compact than traditional exhibits.

A Nomadic custom modular display can help you dramatically **reduce** operational **expenses** like transportation and set-up and take-down costs. You also **save** on ownership **costs** such as storage, inspections, maintenance and replacement since system components are far less expensive than custom-built ones.

Plus your investment is protected by the **industry's best lifetime warranty**.

RollMax Case

Your 3 x 6 metre display ships complete in one case. Double wall rotationally moulded design absorbs impact during transit.

Forklift accessible on two sides.

Optional casters make maneuverability easy.

Market Smart.

These fabric display lines combine brilliant printed fabric graphics with scalability to serve more of your marketing needs. Choose from single or double sided models.

Show Off with a HangTen

When you want to make a BIG splash in a smaller footprint, think HangTen. A HangTen backwall for your trade show transforms into a kiosk for sponsorships or a table top for conferences with the purchase of additional graphic panels. Connect two backwalls to create an inline display that really stand outs. Choose curved or flat forms.

A basic HangTen display with a custom fit SEG printed fabric panel, set of lights, a header, a set of fins, and a pedestal packs in just one wheeled case that weighs less than 150 lbs and ships UPS or FedEx.

Design to Reflect your Unique Style

Power up your presentation by adding high performance accessories like these:

- Halogen or LED lights
- Dimensional headers, fins and profile signage in a variety of silhouettes
- Monitors up to 42" weighing a maximum of 20 Kgs.
- Acrylic product shelves and slatwall racks for product display
- Pedestals or lockable counters
- iPad2 mounts
- Literature holders for collateral

Additional Benefits

- Eco-friendly fabrication
- Delivers in just 10 business days
- One case portability
- Swift assembly
- Backed by the industry's best Lifetime Warranty

Choose the Show Smart Solution

Extend the value of your event marketing program by investing in a presentation property that adapts to serve multiple floor plans. In addition to converting into smaller models, HangTen grows for even greater impact. Expand your presence by connecting two HangTen backwalls to create a distinctive inline display that really stands out.

Custom Rentals

Rent Smart.

Display rental is increasing in popularity as companies realize they can have significant cost savings and **custom-tailored design**. Why compromise when you can have a design specified to your needs that **eliminates all after show costs** including monthly storage fees, repairs, or replacements for lost elements? When you want a convenient and cost effective display solution, look no further than Nomadic.

We put the power of a fully [searchable database](#) at your fingertips on our website. Now you can find the exhibit rental that meets your aesthetic, functional and budgetary requirements from the convenience of your office or home 24/7! Whether you choose a pre-priced design or request a custom tailored rental solution, its easy to submit a **rental request online**. Simply complete the form, attaching the designs you like with your comments regarding preferences.

A Nomadic Rental Consultant will generate a complete proposal for you. We can provide everything you need from display rentals to graphics, transportation, set-up and take-down, and storage. We ship your display to your show space and pick up from there afterward. It's that simple!

Whether you exhibit in **Europe or North America** you can save yourself time, money and stress by renting a Nomadic display.

Custom Portable

Invest Smart.

Nobody knows portables like Nomadic! We invented pop-up technology. Introducing the first and only self-locking display revolutionized the industry by providing exhibitors with a stunning graphic backwall that **saves** them **time** and **money** on storage, transportation, and set-up and take-down.

Since then more than 250,000 Instand® displays have been sold around the world. And today, Instand® is the world's most popular custom portable. Instand's reputation for quality is **legendary**. In fact, the Instand frame is so well engineered we back it with the industry's best **"No Questions Asked" Lifetime Warranty**.

Mobile Presentations

Show Smart.

When your company participates in multiple corporate, community and industry events, managing how your brand is expressed in different venues can be a challenge. By deploying your brand message to a series of **mobile display solutions**, you can **ensure** that your **brand is consistently represented** globally and locally.

Use our lightweight display solutions at sales meetings, sponsored events, recruiting fairs, education seminars, community affairs, charitable campaigns, in lobbies, at airports, shopping malls...the possibilities are endless. **Convenience inspired**, they go anywhere you want to go via **UPS or FedEx**.

Let us organize and manage a **turn-key program** for you.

Style Smart.

Portray your brand with a bold sense of style with a FabriMural or XPlus fabric pop up display. FabriMural is a vibrant, ultra lightweight Instand pop up display with a single, seamless fabric graphic mural. Choose a display either with or without endcaps.

XPlus is a bold, ultra lightweight Instand pop up display with multi-faceted fabric graphic panels for dramatic dimensionality.

FabriMural and XPlus fabric pop ups are available in flat table top and backwall models. Panels easily interchange to target different audiences and applications.

AB2031E

FabriMural and XPlus pop up displays are the fastest to set up because their fabric graphic panels travel pre-installed on the frame. Just pop up the frame and you are ready to show and sell.

Carry your FabriMural or XPlus fabric pop up display in a lightweight, padded SoftBag or a rotationally molded Rolluxe or RollOne shipping case with built-in wheels.

Like all Instand pop up trade show displays, FabriMural and XPlus frames are backed by the industry's best "No Questions Asked" Lifetime Warranty.

Beyond the Show Floor

Unlock the Value of Your Investment

More and more organizations have discovered the value of extending the use of their display beyond the trade show floor. Discover new marketing opportunities and investment returns with the functionality and versatility of a Nomadic display. Corporate events and **mobile marketing** are easier and more affordable than ever!

Learn more how these creative organizations are putting their Nomadic environments to work.

Company: **Modern Woodmen**

Application: **Corporate Lobby**

Modern Woodmen of America is a member-owned fraternal financial services organisation that commissioned this 3D environment for their headquarters in Rock Island, IL. In conjunction with employee orientation and training sessions, personnel walk through the display to learn about top performing insurance agents and the incentive programs designed to motivate success.

Company: **Britain's Got Talent®**

Application: **Television Backdrop**

Britain's Got Talent uses a Nomadic Instand® exhibition stand as the stage backdrop. Instand® is also the backdrop of choice for the producers of other talent focused television programming including the X Factor, America's Got Talent, and American Idol.

Company: **Givenchy**
 Application: **Retail Display**

To launch its latest fragrance in department stores, Givenchy wanted a high style display to command attention in a dense, multi-product arena. This design enables Givenchy to brand visibility, cross sell other products and enhance its customers experience.

Company: **Kaiser Permanente**
 Application: **Community Outreach**

Kaiser Permanente's mission is to provide quality care for members and their families, and to contribute to the overall well-being of communities nationwide. Kaiser uses their display to educate and inform communities on wellness programs, prevention and environmental improvement.

Company: **Volkswagen**
 Application: **Showroom**

Volkswagen wanted custom displays to fuel their brand, spark interest in product benefits, and withstand installation in multiple venues. Nomadic produced 100 stylish kiosk stands that were lightweight, durable, and quick to assemble.

Company: **Thinktank**
 Application: **Museum**

Thinktank, Birmingham's award winning science museum, needed an attention-grabbing display to direct visitors to its upper-floor entrance. This Nomadic archway also enables them to change graphics to promote different touring exhibitions.
