

Market Smart.

Show Off with a New HangTen Display

When you want to make BIG splash in a smaller footprint, think HangTen. Our new series combines brilliant printed fabric graphics with scalability to serve more of your marketing needs. A HangTen backwall for your trade show transforms into a kiosk for sponsorships or a table top for conferences. Connect two backwalls to create an inline display that really stands out. Choose from single or double sided models in curved or flat form.

Show Special

This Budget Boosting Solution delivers 6 configurations for **under \$4,500!**
